

AGREEMENT TO ENTER PREMISES TO DO TNR

I, (name of authorized person on premises) _____ agree

That (name of person(s) entering the property) _____

can enter said property location at _____

to perform humane population control also know as **TRAP, NEUTER AND RETURN**. I also agree and understand that the above noted person entering the property is not responsible for any untoward events or circumstances that may result from surgery or trapping of cats and/or kittens at said location.

The authorized person signing this agreement understands that the cats and/or kittens who are being returned to the above noted location – will be cared for under the guidelines of our Managed Care Program and/or other agreed to conditions. It is also agreed that authorized persons will be allowed to oversee and advise for the continued commitment to the humane care for returned cats and/or kittens, if indicated. **An FCCC Informational Packet has been given to the authorized person(s) signing this document for guidance and education relating to feral cats and kittens.**

If financial or other assistance is needed to implement this agreement, all matters should be discussed and agreed to before the project begins and attached to this Agreement.
